Providing You a Guaranteed Income

If you are age 55 and make a gift annuity of $1000 to FOR, you can earn 6.7 per cent annually, and receive a charitable deduction of $451.

Better yet, if you are 70, a gift annuity of $1000 to FOR will provide you a return of 7.8 per cent annually, and a charitable deduction of $516. If you are 80, the return is 9.6 per cent; at age 85, it's 11.4 per cent; and at age 90 (or above) it's 14 per cent, and a charitable deduction of $595.

Each rate is guaranteed by FOR; and the generous charitable deduction is provided by IRS. If you are in any of these age ranges, there can be a substantial benefit for you as you provide very significant support to FOR's peace work.

We know earning income or claiming a charitable deduction may not be your primary motivation for a gift to FOR, but we want you to know of these good values as additional incentives for making contributions for peaceful purposes. Besides, your charitable contribution and deduction offer legal alternatives to paying taxes for war. Please think about the possibilities, and write for our brochure on the charitable gift annuity. Jessica Hoagland, development assistant, Box 271, Nyack NY 10960.
